You did produce redacted PDFs in the prior litigation; however, I'm seeking to confirm that you or your client still have the original/native messages. Additionally, please confirm that you have the native screenshot and/or original thread embedded in your complaint.

Thanks,

Matt

Hi, Matt.

As I recall, we produced PDFs in the prior litigation, not the originals or natives.

If that's what you're asking about, I suspect we still have everything on hand. If not, I'd probably need to check with Harry.

Good morning – Please confirm that the original/native text messages produced in the prior related litigation (albeit redacted) remain in you or our client's possession. Also please confirm that you possess the native screenshot of a purported text exchange between Ms. Hung and Ms. Martinsek, which you embedded in your pleading.

Thanks,
Matt
